WILLIAM V. SOUTHARD.

CARPENTER AND JOINER. Molest her aucient solitary reign. A FTER completing the contract of Mr. D. Sutherland's Mill at Newmarket; also, all the Carpenter Work of the Station Buildings at New-

eneath those rugged clins, that yew tree shade Where heaves the turf in many a mould'ring on the O. S. & H. Railroad, respectfully inform

Each in his narrow cell for ever laid. The rude forefathers of the hamlet sleep. the public that he is prepared with all the necessary The breezy call of incense-breathing morn.

The swallow twitt'ring from her straw-built For the erection raising, turning and moving of any description of Buildings or Bridges. Sash and

> 6m10 For them no more the blazing hearth shall burn, Or busy housewife ply her evening care; No children run to lisp their sire's return, Or climb his knees the envy'd kies to share

Of did the harvest to their sickle yield, How jocund did they drive their teams a field How bow'd the woods beneath their sturely THE Undersigned respectfully intimates to his

friends and the public generally that he has Let not ambition mock their useful toil; -Their homely joys and destiny obscure; Not grandeur heat with a disclaimful smile, The short and simple annals of the poor.

he brast of heraldry, the pump of power cute all orders with which he may be favored, with twait alike the inevnable hour: Call and examine the work and hear the prices

Nor you, ye proud, impute to these the fault If memory o'er their tomb no trophies raise Vhere through the long-drawn aisle and fretter

Can storied um, or animated bust, Back to its mausion call the fleeting breath Can honour's voice, provoke the silent dust,

Perhaps in this neglected spot; is laid. lands, that the rod of empire might have Or wak'd to ecstacy the living lyte.

But knowledge to their eyes her ample page; Rich with the spoils of time, did ne'er unroll hill ponery repressed their noble rage, ... And froze the geneal current of the sonl. Full many a gem of potast ray serene.

And waste its sweetness on the desert air. Some villinge Hampslen, that, with dauntles

Th'applaces of list ning senates to command, The threaty of pain and ruin to despise,

To scatter plenty p'er the smiling land,

Their lot beday nor circumstribed along

And read their history in a nation's eyes.

Of heap the shrine of Luxner and Pride; and With incomes bindled at the muse's flamer Fan from the madding emorit's igniple stile, Their suber wishes never learned to stray, long the cool sequestered vale of life The fikeep the uniseless tehor of their way. Yet e'en these bones fibm inshit to Brolett."

With auchath thymes and shapeles sculplure Implores the passing tribble of a righ. Their name, their years, spelt by th' unletter

Semb trail melnotial still erected night

The place of same and elegy sopply :... and many a holy text around she strews That teach the rustic moralist to die.

For who, to dumb forgetfulness a prey, This pleasing anxious being e et resignal, eft the warm precincts of the cheerful day, Nor cast one long ingling ling /look behind On sorne fund breast the parting soul relies;

Some pints drops the closing eye requires : E'en from the tomb the voice of untile eries, E'en in our ashes live their wonted fires. For thee who numindful of th' unliquour'd deut . Dost in thesp lines an arthest tale relate;

If change, by lonely contemplation led

Some kindred spirit shall imprice the fate? Haply some houry-headed swain may say, Of have we seen him, at the peep of dawn Ridshing with harry steps the dows away, To meet the sun upon the upland lawn.

There at the foot of youder nodding beech, That wreathes its old fantastic roots so high His listless hougth at moun-tille wonth he stretch And pore upon the brook that bubbles by. Gray's works are few but his reputation is Hard by you wood, now smiling as in scort

Multiring his wayward function, he would

Now dradping, woeful, wan, like one forlorn, One morn I miss'd him on th' accustom'd hill

Another came; not yet beside the till, Nor up the lawn, nor at the wood was he. The next, with dirges due, in sad array,

Along the heath, and hear his favorite free ;

Slow through the churchway path we sa him borne, Approach, and read (for thou canst read) the lay, Grav'd on the stone beneath you aged thorn,

Here teel his head upon the lap of earth, A youth, to fortune and to fame unknown, air Science frown'd dot on his humble bit And Melancholy mark'd him for her own.

in party THE EPITAPH.

Large was his bounty and his soul sincere, Heaven did a recompense as largely send He gave to misery (all he had) a tear; He gain'd from heaven (twas all he wish's

No further seek his merits to disclose, Nor draw his faulties from their dread abode There they alike in trembling hope repose) The bosom of his father and his God.

A Woman's Generalship.

Concluded.

When Mrs. Melutyre took her departure I proposed to John that he should have a king the bonniest good ever be saw in this world of haulin, by way of heatin' the house; sae John agreed til't in a molneut-I never before saw him sae willin' for onything of pairty kin. ' What the new sideboard had to do in bringing about this change, I canna tell, but, as I said, John agreed in a moment : sai we sent bits of invitation cards, an' a' po frien's ca'd an' sienified their willingness to be present at our party, an eye expressed their admiration o' our new sidelward. I Sae the night o' the party comes, and I had all my bith of niceties laid out on the top of the new piece of furniture. John had come hame rather sunner than usual, just to gie a bit han'; sae just when a' thing is arranged to John's taste there comes a ring to the door, an' there's a very next note handed in, scaled, and address. ed to our John. Sae he took the note, opened it, read it, and lookin' very hucer, without sayin' a word, handed the note to me. Soe took it an,' as if baving nue idea of its contents read it afoud . This was a letter fre the cobi net maker, to the effec' that he had that day got what his thould a very reasonable offer for the side board, which offer he intended to becept; an asking if it wad be convenient to more the sideboard that night? What are we to do, guid mife I quo John to me. Quo I. I'm sure John, I dinna ken ; but if that sideboard gange out of here this night, we'll be spekilation baith far an' near. But, quo John, its my opinion that ye're just at able to pay for the sideboard as the man that's offer ed for't an' maybe the ablest o' the two ; sae wad send for the chbinet maker, an' see re couldna come to an understandin. was quite agreeable; sae doon went the ser rant, and, an' up cum the cab'aut maker ; when I took speech in hon'-as if I had never changed words wi' (the ipho) on the subject before When I had lauld him the hail particulars, be said it was a very peculiar set o' circuinchances , an' seein' that it had happened sac he was perfectly willin to let oor John keep the sideboard at prime cost, namely, nineteen poun's. When John heards this (ye)ken was aye fond o' a bargain) he gend away for his pocket book, counted but the nineteen company of decent folk, the chief portion pour's; but it in the man's han,' and said the et nin's entertainment being the young led was much obleged to him! Ndo, ye bee, place of thinking I had sheeled bim oot inheteen bolins, bot hohd, of historiow that clever wife ni ber guid tougue, sared hun six pouns' in the purchase of his sideboard, to another, especially as pairty to another. If ther glint hoo her father was lookin. He was was about a fortnight after our pairty that we received an invitation frac Mrs. McArthur, a long and let me do what I like, I couldna get very alphab personage, that had been at our John to look me in the face.

Furbade to waite through slaughtento a throng, lady that weel, that I knew she meant her had ta'en my guidnife's advice, my bairn, wad pairty to throw ours Enfortly hillouthe shade - been able to acquit, hersel the her neebors to be conducted on a much grander scale a' At last Mrs. Munro comes up to Mary Anni thegither! "At only rate, he necepted the lin- an' says, " Noo, Alist Young, will ye lator us ritation pendil man In Stevidibi and Macdon- | wit a time 1" Quo Mary Ann, " I'm atraid ald's warehouse, burings regat bus of killer canna."-Quo 1,4 Come away re marker that a body will need for buskin on such a line sure if ye canna, its na your father's fault; grun' occasion, when are of the salesmen, a he's spair't nac pains to learn ye. Gae awa, very smart young man, showed me a' very an lets bear what you can do, -Oor Jahu splendid arrival of magnificant gode pieces, the lookit at me as if he could a shallow me at b richest stuffs, even I saur an bribbt gorden | houthful - I neter, saw him san angry like in gens yei's light blue llo'er runnin up throo's life life; be lookit as if he were sarin' oh! Sae before [kent what I had done, I had soid guidewife, hae ye' fairly forgotten yoursel' ! I wad tak ane o' them, sae its packed up an affront me sae afore sic company ! "Ge ana addressed the me'an' l'of coinlag awa doon por do your best," quo I. As Mary Ann the stury when I thinks to myself what'll our yielded obedience to me, her father played higher John sad about thy extrastigance. Sae I turn | claucht at her; ye see he thould she was goan; ed awa back, ou', social as sight of their silk, arra to mak' a fule o' herself-thocht she was selvet waistcoat pieces an' a splendid assort I goon to be like the man who didna ken whethment they had; sae [selected what I thought er he could write or no till he tried! the finest silk velvet waistenat nièce in Steteste Mary Anh rather Jewket her father; an slore and Macdonald's warehouse for our dobn .- he kent where be was, Mary Ann was seated Sae when I got hame. I put my ain goon if the stathe piano, makin' it goe in a style that no drawer, and lockit it, an' had our, John's waist. one p', them had gang plure could toucht at, coat ou the table; sae when Julin cam haine for she played bequiful. Whan she had play I let him see what I had bucht for him. He ed a tone or tra, she strock upon Sandy said it was nousease flingin awa sae muckle Rogers' favourite:

Me mither wad hate me weel menit, Me mither wad lyl'o my weel merrit; a the lave of the men lolk, he was very easily an oor John looked at me as if he didn't ken consoled agoot the cost o' the inery that was whether he was sleepin' or wakin. He wa to going oil his alin back! Bas John's waist that weet pleased wi' his dochter's accomplishcoat is made the night of the pairty comes and | ments the very neit thay be not only ca'd there's ne'er a word about my goon! Just at the teather an' pay't the half year's teachin' bd her 480 lbs ". the moment, that our John was all ready; a that was due, but called at a music warehouse a frilling circumstance occurred that wad pres an' sens hame a piano-ane o' the finest in rent me frae getting to the pairty at the prop struments in Glasca. What he paid for't per time; sae John being' the very specrit of dimin ken -its by opinion he thinks shame to punctuality, il gat hiju advise to gin awa him lell'anybody the price o't. Non, ye see, that's self, an'n I, wad, follow, him, soon as all could, but a sina' specimen o' my gen'ral-hip; an' the Sae awayrent John in green, good humor will beauty o' ony bit sura' victries that I have gain. have to be accepted. of lour was also rathere his braw new waistcoat and what not .: Weel ed without ony lechtia, just by pure ingenious, slow at last I hursday's tate. Indian corn in the pairty was just in hat I thought at mad be - womanly stratigem .- I ne'er saw a man yet wonderful display of herry prery one grave th't I didn't it's could be managed i he were Or conz'd with care, or cross'd in hopeless ter than putther was nathing but then in the right way, that is if howere sober. aiting and brocades, refret polkas rings, chains Gude kiep you or ony o' this company, from ag' bracelets, in alundance. (As our John hae'n onythin' to dae wi the management o' lookit on the surrounding splendor, he beganite, either man or woman that's no sober; for think that when his guid wife, arrived in ther when folk tak' to the drinking o' whiskey, its optedeligion good, ale ground out a spair flour I my deinion the DEEVIL himself lak's the man ish beside that swells as John look it down at Indement of them, and its no easy taking a jo his maistenat mi'a [remorse of conscience, out of his han's. [For the New Ets.] Thomas Gray.

Thomas Gray was born at Cornhill, London, December 25, 1716. The circumstances of his parents were easy, but not affinent, his father following the same occupation as Milton's Father, that of a Money Scrirener. But not, to his father, who seems to have been a harsh ungenial. soul, does he owe either his education or his Company and is prepared to transact every discrip- poetical proclivities; but like a large proponion of the great and wise, his genius had the watchful tending which only a mother'slove can

To her industry the poet owed the advantages of a learned education, first at Eton and afterwants at Cambridge. At Eton, Gray formed a friendship with Huface Walpote, who persunded him to accompany him in his travels. ... They travelled together through France and

Italy as far as Florence, where an unfortunate D prices, upon application to Tuones Nixon, at dispute took place, and caused their separation. Walpole afterwards very nobly laid all the tf-10 blame upon himself, but Gmy was possessed of too much hauteur to be entirely exculpated

from a share of it. Gray returned to England, settled at Cambridge, and wrote and loitered among its poble stowed during the past few years, respectfully Halls, and classical associations. Here he was offered the Poe-laureate-ship, but refused it He subsequently sought for, and obtained the and when required, find all Materials. Shop on Professorship of Languages and History at Cumbridge; in this station he ended his days in the fifty-fifth year of his age.

All that he has written, prose as well as poetry, is chaste in style, e cant if diction. Wagen, Carriage d. Sleigh Maker, and pure in sentiment. Of the deeper recesses MAIN Street Newmarket. We hope this notice will be sufficient for all time to come.

We have been requested to state that Mr. SETH ASHTON has been appointed to collect and receive subscriptions towards assisting Dr. Ford in rebuilding his Steam Mills, which were destroyed by fire in January last. Mr. bare already subscribed, for the amount of their which will ensure its speedy completion. Every additional manufacturing establishment in the locality tends to concentrate trade, and respond to his call.

King Township Council-

The above Council met at Mr. Hulse's Inn, Kettleby road on Monday last, the 3rd inst. All the Councillors present-the Reere in the

Dr. Bull presented a petition from T. Me-Neil and others, praying for a new survey across the tenth Concession between Lots No. 15 and 16.

Mr. Gabriel Wells presented a petition from Caleb McWilliams, an indigent and infirm old man, praying for aid.

Dr. Bull presented a petition from the Truscertain repairs to the School House." Several reports from different Road Com-

missioners were then presented, ataling that the moneys appropriated by the Council had been expended, either all or in part.

On motion of Dr. Bull the Council then went into Committee of the Whole on Petitions-Mr. Wm. Wells in the Chair.

The petition of T. McNeil and others was

the first taken up.

Petition, the people only asked for advice.

Dr. Bull said, they intended the Council to send on a Surreyor; and he thought this The present road, according to the last survey owners would very shortly be closing it up.

Township Surreyor it would give more satisfaction, and as he had the bearing of the Township, it would be less expense than to employ another surreyor.

On motion of Dr. Bull, seconded by Mr. the various Wards at the next Municipal and Hostess, three to the memory of King Saider, the Clerk was instructed to con. Election, and appointing Returning Officers; William, and three for the Queen! The as pect no more from me than an epistle in genial fer with the Township Surveyor, and request which was then read a first time. him to run the line immediately.

plause. He said that being called upon so unexpectedly, it fell upon bim like a clap of thunder; and after the very oble and learned discourse they bad heard this day, he felt incomfound himself unexpectedly amongst them; but he was gald to hear there had been a procession this day where there never was one many yeomanry present. It bespoke their necessary. In a word, the meeting realized an index of the character of the people. Or angemen in British North America now puinbered about 80,000; and by united effort they might accomplish a great deal. After referring to the opening of a Lodge, a few years ago, in Hogg's Hollow, and also to the progress it had made he sat down amid loud ap-

Mr. McClure next introduced Mr. Robert

Mr. Moore said he was proud to say he was a member of the institution; but he had never been in the habit of addressing an assembly, and as he had not given one thought of having met this day to commemorate, was altogether different (roin making a speech to a mixed asembly. The gentlemen on his left had reverted a very gratifying fact, that Orangemen now number 80,000. And should this number order, much good might be accomplished. The speaker then referred to the course Orangemen, should pursue with regard to the mer all knew what were the sentiments of

Mr. MeClure next introduced Mr. Wm

Mr. Reid said he felt astonished at being so unexpectedly called upon; but he would

Mr. Bowman was next called upon. said he felt it impossible for him to make any amendment to what had already been advanced. They all knew his sentiments. (Cheers.)

Mr. Jr Walton was next called upon to ad. the general discussion of the matter, by parties dress the assembly. After a few introductory remarks he said he always felt willing to the best he could, on all occasions to advance the interests of the Order. Not one present Dr. Bull moved, seconded by Mr. William that they had been called upon to commemorate. We have heard something about the

doings in Italy; but we ought to come nigher home. It was his candid opinion that there would soon be a great struggle on this contin-

op Charbounel, denounced public men from scientiously resisted his demand. What would Mr. Suider said he thought the Council be not do if he had the power? (Hear, hear.) There would be but few Orangemen. (Hear hear.) He (Bishop C.) even now refuses to have Roman Catholics placed upon the same

Mr. Jackson was next called upon, and made a few remarks.

Mr. McClure said he could not allow them a strange and yet a pleasing fact to know, that in this district where twelve months ago there was not an Orange Lodge, they now had six ; and it was encouraging to see the progress the usaminity and kindly feelings manifested to day. Orangemen did not hate papiata, because they were papists ; but they hated their religious traents, because they were erroneous, sembly then separated about 5 p. m.

Town Line East.

At a Public Meeting held on the 18th ult. in the School House on Lot No. 1, in the 8th

a majority of the electors signed the petition; time and adopted. The places at which the by the inhabitants interested, on having the people, that he will prove himself do- buoyant, active, and he goes forth refreshed, elections will ba held, and the names of the Town Line East from Newmarket opened for public travel-it being the shortest route for the people along the line and also of a portion residing in Scott and Uxbridge, to reach the Nemmarket Depat.

The principal obstruction to the road are tiro large bills in the 7th Concession; but it has been estimated that £100 would make the whole line quite passable, with the extra work already agreed to be giren.

From a Report presented by the late Commissioners, it appears 117 days works have the perpendique Wysling to former impunity already been done, with the money collected some time ago, upon this line, and 95% on the ed by the authority, and as they are both poseast part of the 7th Con. leading thereto. The following gentlemen were elected nev Commissioners to collect money, and see that it was properly expended : Samuel Lundy and Robert Readbed, in Whitchurch, and Isase Rose, John Graham and Allan Graham, n East Gnillimbury.

We hope the Commissioners will at once after proceeded in procession from Hank's set about their work, in order that the line may be opened for winter traffic. And while whole body, numbering about 200, marched between the Newmarket Station and the in procession, headed by the Holland Landing people of a portion of Birchard-town and the respectable, (in numbers I mean.) Add lotel, where the company sat down to improvements, as it speaks much for the en-Let the work go forward.

Great Western Road Company.

Pursuant to notice given, a large and re pectable inceting was held in the Court house The meeting organized by calling R. H. Smit Mr. Thos. Robinson rose amid loud ap- Esq. to the Chair and appointing Mr. E.

From the Engineer's report we learn that the Road is estimated to cost abore £8,000 -upwards of £1,000 of which was subscribed ment. As Mr. McClure had remarked, he in the shape of Stock. There is every prospect of the Road being proceeded with at no distant day-many large Stockholders signifybefore. (Cheers.) He was glad to see so ing their readiness to double their shares if effort on the part of those interested, and the work becomes a reality.

There is one fact connected with this matter to which we have been requested to call attention, - and that is in reference to the errants, though copy-quick in quarrel, and manner in which the money subscribed will have to be paid. According to the statute regulating these payments, the principal will lineament of that obsolete term. Imagine for have to be paid in instalments of so much per centage upon the amount subscribed, not to exceed ten per cent. at any one call -- and these calls not to made oftener than once a month. placed side by side with the disinherited gentle In all probability the calls will be made once I vanhoe, or even with the subtle Tempharin two months, of from six to ten per cent., as the work proceeds. And should the Road is profanation. was satisfied they would never agree to any them. To defend a cause such as they had cost less than the estimate given it will be an much the better for the Stockholders

As near as we can learn, so soon as £5,000 are subscribed, a meeting of the Stockholders son off to the plains in pursuit of Acoms, and will be held and Directors chosen, -- after grass-hoppers, he will have to put up as best which, the work will be immediately common

California Correspondenca

Calaveras County,

California, Oct. 4th, 1856. Dear Era: -- As all California has obeyed the sovereign voice of the people, by " drying up," for more than half a year past, you must ex-

ing, and delirium tremens. But certes in the serving of their confidence. In the aggregate I believe the sexton's report will charge of our duties we shall endeavor to bear a good average with any nation on the render him the most impartial justice, as it shuffling the coil off, without the tiresome, old the same is merited, and censure where it logoy system of organic disease, or worge still is deserved.

Highway tobbery is going' on swimmingly, and it is just now, a matter of extreme peril, to venture alone, on some of the most public roads of the state. Two murders were committed in this neighborhood, last week, without calling forth any peculiar attention, but as made no effort to fly, they were valiantly securand jury the ensuing term, for the vigilance committee having long since disbanded, things are again taking their usual democratic course.

The presidential election now occupies al the time of bar-room loafers and office-seekers but it is, as yet a difficult problem, to determine in what manner California will demean herself in the ensuing struggle. The " law an order" party-i. c.-the opponents, to the acwill add to the value of the property along tion of the vigilance Committee, are to a man supporters of Buck and Breck, and as they combine all the rogues-loafers and shoulderstriker. of the state in their ranks, their purty is very these, all the believers in the milder forms of piracy-elavery extension -- manifest destin &c. who are constantly joining their party—a you make up a combination-not overly untiable it is true, but one that bids feir under present circumstances to carry the state.

The Chivalrons -- warmhented Southerns M . Herbert, Keatings mer der -- and of cours a supporter of "old Brok"- arrived in Sa Francisco by the last Steamer, without an particular invitation. He was forthwith waited on by a committee representing 2,000 citizens of the Bay City deligately inviting him to de prive California of his presence and patronage Nevertheless his heroic action still cushing him in the hearts of all his countrymen - who love and honor the," peculiar institution," and politics may even yel take a tuto that will be he means of raising the homicide to the gu bernatorial chair-For bowmuchsouver we-

in blissful ignorance, the trampled setts o monarchy-may look with dread and detestation on a Brooks or a Herbert-they are without doubt, the exponents of a very extensive party in these very same, tip top civilized

We can consistently slide the anistocrary of the South and West, back to the days of the crusales, for fitting counterparts, and even then the venerable shades of Coent de Leon's Court might justly and indignantly repudiate the comparison. But decidedly there is a resemblance and a sad libel on the match of intellect. There is the same cold-blooded tyrachy over what they term, inferior races-the same pride revengeful passions, and thirst for blood-the same deliance for all law save the sword, and the same watchword that " might makes right." But here all resemblance ceases; the crusaders were gentlemen, but these modern Knightseeking the bubble reputation oven in the re volver's mouth, possess not the most attenuated a moment-how would appear a specimen of these lanthorn jawed--soappy-locked--tobacco chewing--inverted-shirt collared Southern senators, eigar in mouth and rawhide in hand Brian de Bois Gilbort. Faugh! The very idea

Fillmore's chances for the presidency are much weakened, by the nonsupport of the nasty furriners. And the pure native Americans-The Digger Indians-being at this seahe can, with the half-breeds.

As for Fremont, we have found him out to be an arrant imposter. A dreadful secret has just been uncoffined from the musty archives of some Southern State. Yes! There is the damning rank offence in black and white-J. C. Freemont-Lootenant Freemont-The Colone -The explorer-The author-The Lord of a hundred thousand barron acros-- He would be recipient of the greatest gift in the power of a free? people--twonty years ago, was possessed linen) two pair cottonade pants, (supposed to be a borrowed one.) Many of his party have become justly incensud at his temerity, in thus thrusting himself before this great Commonwealth under such false pretences, and are now determined to send him bootless back, to find

the whereabouts of his hat and coat. But as I have now almost filled my sheet forgetting totally all mining news, I will just let the enlightened citizens fight the matter out among themselves like the famous tabbies of Kilkenny-beneath the great binner of the torkey buzzand -- and prepare for you by next eleamer what I had first intended-a description of the latest discoveries in mining. So for the ling sourrilous epistle.

> Yours till death, PRINGLE SHAW.

R., to Miss Harriet Evelyn second daughter of William Kennedy, Erg., Aurora C., W At the residence of Mr. Robinson, Newman ket, by the Rev. Mr. McCallum, on the 27th ult., Mr James Burs to Miss Mary, eldest daughter of John Dillian, Esq., both of Tecum-eth.

Special Notice.

HOLLOWAY'S OINTMEST AND PILLS. - The applicability of these extraordinary medicaments to the disorders of all climates, renders them indespensable to all who journey, by sea or had. Scarvy, the foost terrible scourge of scalaring men, is cradicated by the use of the Ointment; while the Pills, by their alterative and conservative operation upon the stornach the recretions and the bowels, soon relieve the worst cases of bill our fever, diarrhea and stomsel complaint. Taken as a preventive, they fortify the system against disorders consequent upon changes of temperature, an! deprive the process of acclimation of its principal danger. Emigrants to the Far West had better go there unprovided with implements of labor, than without these unequalled curatives.

THE PILL TRADE .- Who could dream of the nagnitude such an undertaking as the manefacture of a Pargative Pill assumes when it comes into general uso. And how painfully do the following numbers speak of the amount of human sickness and suffering, that little morce of a remedy goes forth to combat and subdue. Dr. J. C. Aver of Lowell, manufactures in his laboratory forty gross per diem of his Catharboxes a minute or one dose a second. We thus find over 43,000 persons swallow this pill overs day, or 1,296,000 a month ! Physicians, think I that ! 43,000 patients a day who seek relied from the medical skill of one man. Surely that man should be, as he is in this case one of the first intelligence and of the highest character. His occupation entails upon him a fearno .- We find by the Hastings Chronicle of ful responsibility for the weal or wee of his fel-

The invigorating action of Sir Astley Cooper's Pills on the constitution is really marvellous. and a single trial will convince the most sceptical of their power to restore the most feeble and debilitated to full health and strength, and jamin by his friends, as he has made great no language can convey an adequate idea of the promises. On this account he will deserve immediate, and almost miraculous change, promuch credit if he gots through his parlin- duced by making use of this wonderful medimentary career without creating much dis- cine in the diseased, debilitated and shattered consonance with our parched climate. Not appointment. The 'Tram Road,' Grand nervous system; the relaxed and debilitated oven a stray shake of the ague, of a cholera Junction, and the Trent and Presqu' Isla body is at once relieved, restored, enlivened and built up; the mental and physical sympof good health, which all are forced to enjoy. prises by which the Warden and Member for the slooping, trembling victim of depression and We have nothing here in the dying line, but North Hastings is to become famous, and debility becomes a new man; he stands erect, the timehonored demises to which we have everlestingly popular. We bid him success, he moves with a firm step, his mind which was The Bye-Law was immediately read a third Con. of East Gwillimbury, it was determined long become accustomed—to wit—drowning, and hope, since he has become the choice of previously sunk in gloom, becomes bright,

regenerated, and conscious of new vigor to his accustomed occupations; and the effect is not temporary, on the contrary the relief is permanent, for the condial properties of the medicine reach the constitution itself and restores it to its first condition. In all diseases of the stomach and digestive organs, they never fail. They ness, want of sleep, alistike to booiety, lineapar ony for business; has of memory, doubteston guldiness, blood in the head, melancholy, mental debility, I they increase and remotering: appetite, purify the blood, strengthen the tone of the stomach, and give such energy and vigor to the constitution as must be fell to be

To elderly person Sir Arthey Cooper's Pills are invaluable; strengthening the system against the attacks of the age; they cause a

BEWARE OF SPURIOUS INITATIONS - None are genuine without the fac-simile of the rignature of McPhail & Co. Sole Proprietors, London and New York, on each box and on the directions The Genuine Pills have also a correct likeness of the late Sir Astrey Cooper on the top of each; box. Without these marks of authenticity, they are spurious and an imposition. Sold at 25 cents 50 cents and \$1 per box. Full directions are given with each box. There is a great saving by taking the larger sizes.
